*** If your membership changes, it may affect your delegate entitlement.**

Contact the senior representatives of your union should you have a member who is interested in attending the SFL Convention as a young worker delegate. We ask all affiliates to give consideration to ensuring representation from equity-seeking groups (women, Indigenous, visible minorities, persons with disabilities and 2SLGBTQ+). Young worker delegates must be members of your union and 29 years old or under on the opening day of convention on October 26, 2022.

In solidarity,
