Marilynne MacFarlane
for
Secretary-Treasurer

I believe that all workers, whether unionized or not, should have the ability to earn honest wages for honest work, and return safely to their families. The Federation is the voice for working people in Saskatchewan, and it would be my pleasure to serve our province's working people as Secretary-Treasurer.

I believe that my unique experience in banking, along with my experience negotiating collective agreements could provide me with a unique perspective as Secretary-Treasurer. With my experience, and as the Secretary Treasurer for UFCW Local 1400, I understand financial statements, budgets, and the duty to ensure fiscal responsibility.

My involvement in the Labour Movement has been one of the most rewarding aspects of my life, and, through the office of Secretary-Treasurer for the Federation, I hope to give back to the Movement, and to add my voice to the other strong voices supporting Saskatchewan's working people.
