what we do

Our camp empowers young people through active learning, cooperative recreation, and fun-focused social events.

Activity is a cornerstone of any summer camp – we offer campers the chance to zipline, play field games, craft, wall climb, and more!

Through activity, presentations, and pop education, campers dive into unions, organizing, worker rights & safety, and equality. All the while, campers challenge & resist ageism, ableism, transphobia, homophobia, sexism, racism and other issues that are important to navigating the world as a young person and young worker.

Campers will also participate (and even lead!) in a host of fun activities, including a talent night, initiative tasks, bonfires, and much more. The farewell dance on the last night is always a highlight for campers.

who we are

Our camp is built on a foundation of trade union values. We stand for equality, fairness, and justice; for dignity & respect of all working people. We believe in solidarity: that people can achieve more acting together than they can do on their own.

We welcome campers who are between the ages of 13-16, and who are children of union members.

what we accomplish

- ● *DEEPEN AWARENESS OF SOCIAL JUSTICE* with a worker-centered, equal rights perspective. Issues will include, but are not limited to: anti-colonialism, human rights, international solidarity, ageism, ableism, sexism, transphobia, racism, & homophobia.

- ● *CREATE A FORUM FOR YOUNG PEOPLE* to exchange ideas and work together to increase awareness among other young people on the labour movement, unions, and their rights in the workplace as well as build a support network.

- ● *DEVELOP COLLECTIVE ACTION SKILLS* in organizing, problem solving, and decision making.

OUR GUARANTEE

A fun and safe environment that is youth-empowering, ability-inclusive, anti-racist, feminist, queer-positive, and worker-centred.
